Dear Sheila,

Be sure so much to Bill,
& to you, & it is awfully painful to be
writing a letter of sympathy to you. But
that sympathy is very deep, and if it were
possible for another's feelings to lighten the
load of sorrow, please believe there are many
who wish to bear a part.

Bill taught us so much, & was
so dear to us: our special minister, our
clear revealer. The Lord will love having
Bill with him.

Our love to you, very specially;
comfort and hope and all the knowledge you
can wish for, of a life wonderfully spent.

Very truly,

Prof. John Reid
Vice-Principal U.C.T.
