Dear Sheila & Mary.

You have all been much in our thoughts & prayers since we heard the news of Bishop Bill's death. His fearless & uncompromising stand for the Truth of Jesus & the Word of God inspired & encouraged us greatly in our Christian walk. His meekness & compassion was a testimony to us all. His Love of God & for all of God's creation touched our lives & we were enriched by our friendships with him & yourself. His going leaves a huge hole in the Body of Christ in South Africa & in the World. There must have been great rejoicing in Heaven.. a real celebration when he went home. I will never forget during a 3 hour Good Friday address at St. Saviour's he flung up his long arm & declared "we don't fit! We are not meant to fit! Somehow the fact that the Lord made each one so different & according to His Plan yet

the Christian Peer group measure made us feel concerned if we didn't fit! I heavily stood up on the pew & shouted Halleluiah & the Lord set me free to be as He intended; not some mindless clone. His scholarly discourses were much appreciated by Ham & I over the years & added to our understanding of our Christian calling.

I recall the day the house in Selbarn was sold & at the 11th hour the Sale fell through.. the Lord told me to go & see you & tell you the circumstances & all I wanted to do was drive on back to Cinto East & hide! However we gathered together around the parking car & asked the Lord to bring another buyer, which He did the next day.. Praise the Lord. We have so much to be thankful for.. memories both sweet & sad. During the very difficult time we went through prior to leaving

the Anglican family to join the Pentecostal family.. Bishop Bull's wise counsel & keen insight helped us to stay on course. How much more you & your family will miss him yet how much more of the Precious Holy Spirit's Comfort & Love will be poured upon you all. We will keep in touch & hope that should you have a visit to East London you will be most welcome to come & stay with us. We both send you our Love & Blessing.

Ham & Bev - Campbell.
