Dear Sheila

Sorry to be so late but I want to express my sympathy to you following Bill's death. He is a great loss to all of us - such was his contribution to our life together in the Church. I have to measure my own indebtedness back to Michaelhouse when he prepared me for Confirmation - 1952! He was very helpful to me - Kloof in 1986 when I was trying my first renewal steps. A lot of water has been under the bridge since then. St Thomas people never stop reminding me of the Mission here in 1979: that laid foundations which have been so necessary now.

Over the past few years I have followed with interest what you and Bill have been doing in Grahamstown, and seeing you both for tea in Kloof two years ago meant a lot to me. Richard Scallan kindly arranged that. I am under the impression that Bill declined steadily but was spared a long unpleasant illness before the Lord took him. I hope that is so.

We express an indebtedness to Bill, but it is also to you who were always there with him. You gave long service together to the Lord.

May God be with you as you continue with a new life, and may He find new ways to fill all that you do with Himself.

Love from both of us.

Sally and Charles.
