VIS VIRTUS VERITAS

Quae paris cives animo vigentes
Africae praebens rationis artes
Alma te mater canimus libenter
Nos Rhodienses.

You who produce citizens of vigorous
intellect, as you offer to Africa the
arts and skills which come from reason -
we who are Rhodians gladly hymn you,
our *Alma Mater*.

Veritas semper pretiosa nobis
Praesit et pellat procul omne furtum
Neu sinat quemquam male consulentem
Discere falsa.

May truth be always precious and
preside over us and may it drive far
away all deceit, nor may it allow
anyone with evil intent to learn
what is false.

Quicquid est foedum cohibere, quicquid
Integrae vitae proprium tueri
Gaudeat virtus studiosa pacis
Visque benigna.

May virtue and courage, eager for peace,
together with well disposed strength,
rejoice to restrain whatever is
disgusting and to uphold whatever
belongs to the fullness of life.

Purpura cincti memoresque patrum
Cuique nitamur dare iustum honorem
Neminique umquam licet invidentes
Astra petamus.

Clad with purple and remembering our
fathers, let us strive to render to
everyone with honour which is due and
without envying anyone let us aim
for the stars.

CONVOCATION

Convocation is a statutory body which meets at least once a year to discuss any matters affecting the University, and to convey its resolutions to the University Council and the Senate. All graduates of Rhodes University, the Vice-Chancellor, Vice-Principal, Registrar, University Librarian, all permanent full-time members of the teaching staff, and the directors of the research institutes of the University, are members of Convocation. Old Rhodians who graduated from the University of South Africa while studying at Rhodes University College may apply to the Registrar to join the Convocation of Rhodes University. All members are entitled to vote for office-bearers. Convocation elects three of its members to the Council. The President of Convocation is the Hon. Mr Justice T.M. Mullins, while the Registrar, Dr K.S. Hunt, is ex-officio the Secretary.

THE PURPLE AND WHITE

Oh Rhodians arise and rememb'ring thy fame,
Sing loudly and proudly in praise of thy name,
Let mountains re-echo thy deeds renown.
May vict'ry be ever the crown.

Rhodes! Rhodes!
Hail to the Purple and White.
Till death be past, love shall last,
Our longing and yearning for Rhodes.

We'll strive to be found in the cause that is just,
To remember thy honour is placed in our trust,
To play for the game's sake, establish the right,
To be true to the Purple and White.

Rhodes! Rhodes!
Hail to the Purple and White.
Till death be past, our love shall last,
Our longing and yearning for Rhodes.

Surgit' O Rhodienses gloriae memores
Voce magna cantate famam laudantes
Vestrum reboent splendorem montes
Palmam vos feratis semper.

Rhode! Rhode!

Rhodes, colores nostros coletu
Ad finem vitae durabit amor
Desideriumque Rhodi.

Nitemur causae favereiustae
Semperque honores fovere tuos
Ludis perfrui, rectumque sequi,
Purpura candorique fidi.

Rhode! Rhode!

Rhode, colores nostros coletu
Ad finem vitae durabit amor
Desideriumque Rhode.

GAUDEAMUS IGITUR

Gaudeamus igitur, juvenes dum sumus; (Rep)
Post jucundam juventutem, post molestam senectutem,
Nos habebit humus, nos habebit humus.

Ubi sunt qui ante nos in mundo fuere? (Rep)
Vadite ad superos, transite ad inferos,
Ubi jam fuere, ubi jam fuere.

Vita nostra brevis est, brevi finietur; (Rep)
Venit mors velociter, rapit nos atrociter,
Nemini parcetur, nemini parcetur.

Vivat Academia, Vivant Professores, (Rep)
Vivat membrum quodlibet, vivant membra quaelibet,
Semper sint in flore, semper sint in flore.

Vivant omnes virgines, faciles, formosae, (Rep)
Vivant et mulieres, dulces et amabiles,
Bona, laboriosa, bona, laboriosa.

Vivat et respublica, et qui illam regit; (Rep)
Vivat nostra civitas, Maecenatum caritas,
Quae nos hic protegit, quae nos hic protegit.

Pereat tristitia, pereant osiores, (Rep)
Pereat diabolus, quivis antiburschius,
Atque irrisores, atque irrisores.

GAUDEAMUS IGITUR

Let us live then, and be glad
While young life's before us!
After youthful pastime had,
After old age, hard and sad,
Earth will slumber o'er us.

Where are they who in this world,
Ere we kept, were keeping?
Go ye to the gods above;
Go to hell; inquire thereof;
They are not: they're sleeping

Brief is life, and brevity
Briefly shall be ended:
Death comes like a whirlwind strong,
Bears us with his blast along;
None shall be defended.

Live this university
Men that learning nourish!
Live each member of the same,
Long live all that bear its name;
Let them ever flourish!

Live the commonwealth also,
And the men that guide it!
Live our town in strength and health,
Founders, patrons, by whose wealth
We are here provided!

Live all girls! A health to you,
Melting maids and beauteous!
Live the wives and women too,
Gentle, loving, tender, true,
Good industrious, duteous!

Perish cares that pule and pine!
Perish envious blamers!
Die the Devil, thine and mine!
Die the starch-neck Philistine!
Scoffers and defamers!
