The Library is indebted to the Director and Trustees of the National Parks of South Africa for their co-operation and permission to record within the Park; to the Trustees of the South African Bird Book Fund for their permission to use the Roberts numbers of identification; and to the Directors of African Explosives and Chemicals Limited, for the use of the cover illustration.

The cover illustration is taken from No. 649 of Plate XLI of the publication "The Birds of South Africa" by the late Dr. Austin Roberts. The painting is by Mr. N. C. K. Lighton.
