Dear Sheila

Rosemary and I were very sorry to hear of Bill's death and we would like to convey our deepest sympathy to you and to all your family.

I thank God for Bill, for the wonderful influence which he had on the lives of so many people and the very large number that he was instrumental in bringing to a new faith in Jesus. I also thank God that I was privileged to be numbered amongst these.

Bill was at Michaelhouse with my brothers Hugh and Michael (being ^{almost} exactly one year younger than Hugh and older than Michael) so I knew of him from a very early age. Then when I was ordained I stayed with you at Michaelhouse when I preached there, and I saw something of you both at Ladysmith as I passed by on my way too and from Isandhlwana.

My closest association with Bill came when I was a member of the Provincial Commission on Marriage in 1970-71. We had 2 residential meetings in your home.

in Grahamstown and a further two in Durban. And he was kind enough to come to Empangeni in 1977 and to All Saints Pietermaritzburg in 1985 to lead a week of Renewal in both parishes. The Lord greatly blessed both these weeks.

We also were very pleased to see Bill thereafter when he was staying with Andrew from time to time and came to All Saints to worship with Andrew's family. I was sorry when I left All Saints at the end of 1989 and lost that personal contact.

I also regret that Grahamstown is so off the beaten track (from a Kwa Zulu Natal point of view) that we have missed out on personal contact with both you and Bill in recent years.

Now Bill has joined my brother Hugh and all our loved ones who have passed through the gateway of death. We know that he is safe in the hands of God and we pray for you and your family in your bereavement. May you constantly be upheld and surrounded by the love of Jesus.

With love from us both

Peter & Rosemary Harber.
