My dear Greta,

John and I are so sad to hear that B.T. has died. I was in church on Wednesday morning when the vicar told us ~~so~~ ^{sent up} a quick prayer for him - a soul that needed no recommendation.

You must be very lonely - after how many years?

His and your tenure in Ladysmith were the happiest "church" years of our lives and we often look back on the fun and joy he gave to our worship even though we didn't always agree.

Our loving thoughts are with you and the children

With deepest sympathy
from

John & Rosemary.
