

28th Aug.

My dear Sheila.

We were so sorry to hear that Bill died last week. We were in the Kruger Park & only got home on Saturday.

What a really lovely Bible Study we used to have at your house & Michael. I learnt so much from Bill.

I remember the time of Joshua & Pete you were so good & had a Mother working with you on your stall.

We send our love to all your family & special

for you
