My dear Mrs. Burnett,

I was so sad to hear of Bishop Bill's passing and send deepest sympathy to you & your family. It was only the previous Friday (Oct 19th) we had Bishop Michael Nuttall for evensong, followed by a Parish supper, & he mentioned Bishop Bill in his testimony.

Later in the evening, I told him that, as a young girl, I had been very privileged to have known you both very well. He said that Bill had grown very pale. I wonder whether he managed to complete his memoirs.

Bishop Bill was a very dear man - so wise, loyal, loving, kind, compassionate, gentle, inspiring, humble with a delightful sense of humour, and spoke magnificent English in a beautiful voice. He really will be sadly missed.

My thoughts take me back to the days of St. Thomas', ACPA and the happy & inspiring Sunday evening get togethers we young people used to enjoy after evensong with you both. Although it is 5 years since I last saw you both, I feel a deep sense of loss, but we

must be happy that he has now passed
into the presence of our Lord, after a
lifetime of service and dedication to
Him, where he is now joyously at peace.
May God comfort and bless you in
your deep loss.

I trust you're well.

I still keep very well, no facial pain,
and am truly blessed.

With my fondest love,

Doris
