OORWINNING VIR SWAPO! VOORTS MET 'n DEMOKRATIESE NAMIBIA!!

Die mense van Namibia het uiteindelik hul vryheid gekry!

Hulle het getriomf teenoor die koloniale regering in Pretoria en die brutale apartheid magte.

Die mense van Namibia sal binnekort hulle self kan begin regeer. Hulle sal 'n nuwe nasie bou - vry van onderdrukking en uitbuiting.

SWAPO, die vryheidsbeweging in Namibia, is verantwoordelik vir hierdie oorwinning. Hulle het 'n aanhoudelike en heroiese stryd vir demokrasie teen Pretoria se soldate, en hul trawante, gevoer.

Hierdie oorwinning van die mense van Namibia en SWAPO moet ons ook vier. Hulle stryd was ook ons stryd. Hulle vryheid is ons vryheid.

Maar ons moet ook waaksaam wees. Die Botha regime probeer wanhopig verhoed dat SWAPO die regmatige regering van Namibia word. Hulle wil voorkom dat SWAPO 'n vrye en regverdige verkiesing wen. Hulle dood honderde Namibiane en voer 'n propoganda oorlog om Swapo oneer aan te doen.

Ons moet **SWAPO** ondersteun. Ons moet aanhou om apartheid tereur te weerstaan. Ons moet aanhou veg totdat ons ook eindelijk vryheid behaal.

VICTORY TO SWAPO! FORWARD TO A PEOPLES DEMOCRACY IN NAMIBIA!!

The Namibian people have finally won their freedom. They have triumphed over Pretoria's colonial rule and the brutal aggression of the apartheid army.

The Namibian people will soon be able to govern themselves. They will be able to build a new nation, free from oppression and exploitation.

SWAPO is responsible for this victory. SWAPO is the liberation movement of Namibia. It has waged a relentless and heroic struggle for democracy against Pretoria's soldiers and puppets.

We must celebrate the victory of the Namibian people and SWAPO. Their struggle has been our struggle. Their freedom is our freedom.

But we must also be vigilant. The Botha regime is trying desperately to prevent SWAPO from coming to power through free and fair elections. It is killing hundreds of Namibians and it is waging a propaganda war to discredit SWAPO.

We must continue to support SWAPO. We must continue to resist apartheid terror. We must continue to fight for freedom until it is truly won.
