My Dear Sheila,

Forgive my tardiness in writing to you, but you are continually in my prayers, with gratitude for your and Bill's wonderful work in bringing our beloved church into the conscious blessing of the Holy Spirit.

We know He has always been there, but Bill made us aware of His presence and His power, and that will grow over the years.

Christopher and Anthony were at the Memorial Service in the Cathedral, and Hans Peter & Beth offered to fetch me, but I was not well enough to leave SAWAS, I'm never sure, from day to day what I am able to achieve, but I was there in prayer and spirit. My love to you in your time of sorrow,

yours in Christ.
