My dear Sheila,

What a very sad surprise to hear of Bill's sudden death. But what a consolation to know that we were born to die to live.

I cannot tell you what a blessing both of you have been to our family and what a remarkable joy — via the Lord! — you both brought into our home and my ministry. Bopetown has never really been the same since 'Bill and Sheila'! And the prints of your joint stay at Bishopscourt are still very much in evidence.

When I celebrate the Eucharist and rejoice with the Angels and the Archangels and all the company of Heaven I can see Bill's head sticking out among the newcomers — Alleluia!!

Sheila, you must have loads of relations and flocks of friends — but should you wake up one morning and feel that you'd like a few days in Fish Hoek there will be WELCOME on the mat (if the mat hasn't been pinched in the night-season whilst the saints were rejoicing on their beds.).

We all love you dearly.

Affectionately —

Harry
