Dear Mrs. Burnett,

It was a great shock to hear of your husband's death and I do want to convey my sympathy to you and the Family.

It was a great privilege to know Bill even as little as I did. Even where we disagreed it was a happy disagreement tempered by a common loyalty to the Lord Jesus Christ. Bill was always gracious, always courteous, always a genuine witness to his profession.

He will be much missed by all those who had dealings with him.

He must have had a great welcome to Heaven!

Yours very sincerely
