Dear Sheila,
Peter and I wish you to know
how much you & Mary are
in our thoughts & prayers
at this time. We deeply re-
gret that we were unable to
attend the service in Graham-
stown to-day but we leave
for a visit to our children
in the States early this af-
ternoon.

Our lives were deeply enriched
through our friendship & fellow-
ship with you both & we
feel privileged to have sat
under Bishop Bill's teaching
& spiritual guidance all those
years ago at St. Albans.

no forget even then I & Peter
believed in the strength of
Bill's wisdom & his
that drove him into this
our little party of 10 as he
died but that year to all
we have helped him
you know the passing of
Bishop Bill.

With our sincere sympathy
to you & Mary.

Jennifer & Peter Taylor.
