Dear Sheila

It came as a great shock to me to read of Bill's death in the Daily Dispatch - I have lost touch with Grahamstown folk. Please accept my love and deepest sympathy to you and your family.

I know how hard it is to lose one's husband. Even though we know that they are with our Lord we do miss them so very much. There are many friends who will share your grief - I myself for one. He was such a gentle, considerate person - and loved by all.

I remember the mission he led at King Wus Town and how encouraged & challenged we were.

It was in your home in Grahamstown that I received the baptism in the Holy Spirit - and what a life changing ^{experience} ~~occasion~~ that was. At its very first meeting I attended at Bishop's

Bill celebrated Holy communion & all were invited to take part - Methodists, Catholics, Presbyterians etc. black, coloured & white made no difference. And I knew what the Anglican stand was at that time! But being married to a Methodist, it meant so much to me.

There must be many, many people whose lives have been touched & enriched by his ministry, and I pray that our love & prayers will comfort you.

I am moving into one of the Red ^{bricks} Flats at Somerset Place later this month - so look forward to seeing you sometime. Please don't reply to this letter as I know you will get so many. I just wanted you to know that you are in my thoughts & prayers during this difficult time. God bless you & comfort you & your family & surround you with His love with much love & prayers
May.
