Dear Sheila,

I praise God for the life of your husband Bill. I have wonderful memories of his ministry here in Cape Town and of your support for him.

There is no doubt in my mind that he was tremendously used while he was Archbishop of Cape Town and when I travel to different parishes I can still see that the work of the Holy Spirit that was done through his ministry is evident in many parishes in the Cape Town area.

He was a wonderful caring man full of zeal for the Lord and full of fire to preach his word and for this and many other things I praise God.

We will be praying for you in the months and years ahead as you mourn the passing on of such a wonderful son of God. We rejoice that he is now with his Lord in heaven but realise that that doesn't take away from your sadness and grief.

Yours sincerely, in our Lord,

BRIAN
