Dear Mrs Burnett

May I, on behalf of the staff of Diocesan College, extend to you our heartfelt sympathy at the loss of your husband, Bill.

I am aware that your husband left Bishops in the 4th form, to complete his schooling at Michaelhouse. The wider Bishops family never forgot Bill, and there are many associated with our school who followed his career with interest and pride.

We know that you, Mrs Burnett, and your sons Andrew and Stephen, and your daughter Mary, will gain strength from the many fond memories you must have of one of South Africa's outstanding citizens.

Yours sincerely

C N WATSON
