Jazz show definitely for P.E.

Herald Reporter

THE all-African jazz musical, "King Kong," at present showing in Cape Town, will be staged in Port Elizabeth in early June.

This was confirmed last night by Mr. Randall Harwood, spokesman for the managing committee of the group which is bringing the show to the City. It will open on June 1 and run for six days.

FEEDING FUND

Most of the profits from the local show will go to the Mayor's School Feeding Fund.

"King Kong" drew near-record box-office crowds in Johannesburg, and is expected to be a "sell-out" in Port Elizabeth.

By the time the show finishes its tour of the Union's major cities, it is estimated that it will have been seen by about 100,000 people.

"King Kong" is produced by Leon Gluckman.
