My dear Sheila & family,

A word for Helen & I in Cape Town, to assure you of thought and prayers at this time of earthly loss for you all. I hadn't seen Bill, or yourself, for a quite long time, but I always remember him as a man of God and a deeply dedicated Bishop. He had very special gifts, and had been touched by the Lord in a singular and profound way - that left many of us in awe of him. He touched so many hearts and lives, and the Spirit blew where it listed to the renewing of many of our fine special thanks at this time.

We read in the newspaper that he died 'after a short illness', so it seems his passing was as peaceful as these things can be.

We continue to pray & give thanks, - and for yourself for courage and strength in the days ahead. We had a big Supper Event at the Cathedral yesterday, and he was lovingly remembered.

With warm regards

& love
Ted & Helen King
