Grant 25

# what Gold Fields has to offer the talented graduate

## Opportunity

Gold Fields is a management, mining, financial and industrial group of companies in Southern Africa with world-wide connections.

Graduates in various fields are needed: Mining, Mechanical, Civil, Electrical and Chemical Engineering; Geology; Metallurgy; Medicine; Law; Commerce; Science; Mathematics; Administration.

The Group offers outstanding opportunities for personal development and advancement for young graduates whose objective is to attain recognition in the work they do.

Graduates and students about to graduate shortly are invited to contact the Group Personnel Officer for an interview.

**GOLD FIELDS  
OF SOUTH AFRICA LIMITED**  
P.O. BOX 1167, JOHANNESBURG. TEL. 838-8381

## What are you going to do when you've got your degree?

Celebrate? And when that's all over? When the sound of congratulations has faded and the back-slapping is felt no more, what then? We suggest that you come to AE&CI and make that degree you've worked so hard for, work for you. Use your ability in the most switched-on organisation of its kind in Africa. If you've got what it takes, we'll take what you've got. And the future's yours. Endless opportunities, doing the job you'd like to do, whether it's production, research, development, administration or sales, in good company and with the finest equipment. You needn't wait until you've got your degree; come along any time you like and have a talk about yourself. Drop a line first to the Appointments Officer at P.O. Box 1122, Johannesburg, or telephone us at 836-1756.

**AFRICAN EXPLOSIVES AND CHEMICAL INDUSTRIES LIMITED**

CAL 4-15-28
