Dearest Sheila,

We were deeply shocked to hear from our son Peter that Bill had died after a short illness. It was announced at Rhodes University.

We send to you and many our deepest sympathy and condolences.

You must rest in the knowledge that Bill was a great man who was obedient to God and achieved a great deal in his life.

We consider ourselves greatly privileged to have worked under him at Stellenbosch and to have shared in his ministry at different times.

Some things that people say have a lasting impact on one's life and Bill said two things which have strengthened us over the years. He said 'God only gives you strength

to cope with the day not to worry
over the future"
and also

Remember no matter how far
away you feel from God he
always holds you in the palm of
His hand?

We deeply regret that we
were too far away to attend his
funeral and wonder who took it-
what hymns were sung and who
preached? We would love to listen
to a recording if you have one.

We are thinking of you and
if you ever manage to come
have for a holiday remember
you are welcome to stay with
us for as long as you want.

Once again our deepest sympathy
and our prayers that God will
fill you with strength, peace and
courage.

With our love always

Ted, Liz
and family
