

MESSAGE FROM THE VICE-CHANCELLOR

It may seem pretentious to relate our Eastern Cape Intervarsity to the mighty Olympic Games, but as the spirit of competition we expect in Grahamstown at the UPE/Rhodes Clash is probably the closest most of our athletes will ever come to such an occasion, I am sure their determination will equal anything to be found in Los Angeles this weekend.

We welcome all members of the University of Port Elizabeth sports teams, and their supporters, to our campus and wish everyone a happy and rewarding Intervarsity weekend.
